

How to Participate in the Canada Greener Home Grant and Loan

In order to participate in this program, homeowner will first need to register themselves on the government website, Please follow the following steps. Once completed we will contact you to schedule your appointment.

1. Go to this website: <https://natural-resources.canada.ca/energy-efficiency/homes/canada-greener-homes-grant/how-the-grant-process-works/register-and-book-your-pre-retrofit-energuide-evaluation/23478>
2. Select "**Apply for the Canada Greener Homes Grant**"

Step 2B. (optional) Interest-free loan

i At this step you can consider applying for the interest-free loan.

After you have received the pre-retrofit evaluation and decided which retrofits you want to do, you can apply for a loan. This financial option can help you cover the costs of more expensive retrofits that are both eligible and recommended by your energy advisor.

- You apply for the loan through the Canada Greener Homes Grant portal, and you must provide at least one estimate of the cost of your retrofit.
- **You are not eligible for a loan if you have already started or completed your retrofits.**

Declaration - Application to the Canada Greener Homes Grant (the "Initiative")

As an eligible applicant to the Canada Greener Homes Grant, I declare and attest to the following:

- I am eligible for a grant under the Initiative;
- My application for the Canada Greener Homes Grant consists of: an eligibility application form, a request for reimbursement, and all documentation required to be submitted to Natural Resources Canada by myself, the Service Organization or the Energy Advisor(s) who carried out the pre- and post-EnerGuide evaluation of my eligible residence ("Application"). I agree to provide any additional requested information and supporting documents needed to evaluate the Application;
- The information I am providing in the Application is true, accurate and complete. I acknowledge that it is an offence to knowingly make false or misleading statements;
- I acknowledge that incomplete Applications, including a failure to comply with Application requirements may delay the processing of the Application or render the Application ineligible for payment under the Canada Greener Homes Grant;
- I acknowledge that the maximum amount of funding under this grant program is \$5,600, and that submission of this Application does not constitute a commitment on the part of Natural Resources Canada to award funding;
- I understand that grants will be processed and awarded on a first-come, first-served basis until all available funds for the Initiative have been allocated, and that no payment can be made under the Canada Greener Homes Grant if funding for the program is modified or terminated by Parliament;
- I understand that Service Organizations and Energy Advisors operate as independent businesses, and are not agents, partners, or employees of Natural Resources Canada;
- I acknowledge that Natural Resources Canada does not endorse the services of any contractor or builder; of any Service Organization or Energy Advisor; or any specific product, and accepts no liability in the selection of builders, materials, products, or performance of workmanship. I will indemnify Natural Resources Canada from any claim or cause of action arising from activities under the Canada Greener Homes Grant;
- I agree that this Declaration, together with my Application and Funding Approval Notice, form a binding agreement with His Majesty the King in right of Canada, as represented by the Minister of Natural Resources Canada.

I have read, understood and agree to the Declaration above.
